You guessed it! **June 16th is Father's Day.** Like Mother's Day, Father's Day is a time to show our appreciation for parents' hard work and dedication in providing the best homelife possible for their families. Since you have been kind enough to be a part of our business, I wanted to take this opportunity to give YOU something for Father's Day. I'm not talking about another tie, or BBQ tool kit. I have **TWO far more valuable gifts!** Yes, TWO!

Gift #1 is my lifetime home sale guarantee.

Your Home Sold, Guaranteed, at Your Price or I'll Buy It*

Yes, this is the guarantee I am most famous for. Rest assured that whether it's a dynamic seller's market or a housing recession, I will never waiver from this guarantee. The peace of mind from a guarantee like this, is a gift I am happy to give. I can think of none better.

My team and I are committed to results. In fact, being results oriented is one of our core values. For more than two decades people have been coming to us when they want their home sold, at their price and with the least amount of hassle. We look forward to the next 25 years of guaranteed results for our area homeowners.

Gift #2... Donations to B Walker Ranch on Your Behalf.

In last month's letter, I updated you on our goal of raising \$10,000 for B Walker Ranch this calendar year. In case you missed it, we donate a portion of our income from home sales to B Walker Ranch. They have developed a variety of programs for adults with autism, designed to foster self-advocacy by recognizing their individual needs, and harvesting a sense of purpose within a farm environment. B Walker Ranch depends on sponsorships and donations to continue their valuable programs serving adults with autism.

Since that letter, we have received 7 referrals. That's 7 families wanting to buy or sell a home, referred to us by you. And when their escrows close, we will be contributing more money towards this very worthy cause.

OUR GUARANTEE to you, your friends, and family—

For the month of June, anyone you refer to me who is considering making a move, I will guarantee in writing that their home will sell or we will buy it at a price acceptable to them. We just need to agree on the price and possession date with the seller. This is where you can help!

There is some risk on my part in making such an incredible guarantee, but we are selling just about every home we list for market value, sometimes more, so there is no reason for any homeowner to fret about selling right now.

HAVING PEACE OF MIND AND GETTING TOP DOLLAR FOR YOUR HOME IS WHERE EXPERIENCE COUNTS!

As a result of working with over 5,000 families during my 20+ year career and through three documented recessions, we have developed a special market-proof program to quickly get an acceptable cash offer on any home at market value.

IF YOU OR A FRIEND ARE THINKING ABOUT SELLING, MAKE SURE TO CHOOSE A REAL ESTATE TEAM YOU CAN TRUST!

A real estate team with experience, proven results and a give-back philosophy!

This is where you come in... If you or anyone you know is considering making a move, we would like to offer them a FREE No-Obligation-to-Sell Consultation to discuss just how they can make their move, get what they want and do it with the least amount of hassle.

Just like we are thankful for you and your business, I am confident your referrals will be thanking you for steering them in the right direction to getting their home sold!!!

AND please remember, your REFERRALS help those in need!

B Walker Ranch is on target to become a flagship property with a model program that can be duplicated in communities everywhere.

A Real Estate Team that Gives Back!

BWR, a 10.63-acre parcel, is developing a variety of programs for adults with autism designed to foster self-advocacy by recognizing their individual needs and harvesting a sense of purpose within a farm environment. When our children graduate from high school at 18 they have an opportunity to go onto the next stage of their lives. There are few next steps for those children with autism. The US has an ongoing crisis as individuals age-out of existing programs at 22, while still needing structured environments in their daily lives.

***Why I Give to
B Walker Ranch:***

I was born and raised in Mexico City. My family moved to Los Angeles, California when I was fourteen. After obtaining my BS Degree in Accounting in 1981 from USC, I became a US Citizen.

I am passionate about helping others. When I became aware of the amazing work my colleagues at B Walker Ranch are doing to support children and young adults with autism, I felt compelled to help. I love contributing a portion of my income in addition to volunteering my time and energy, to furthering the work and awareness of B Walker Ranch.

'Building up' my community is very important to me. Using my business to bring together clients, a worthy cause and an even stronger sense of community, really inspires me to give it my all.

There is so much joy in giving. While family and daily work occupy much of my time and resources, I always remember to "pay it forward" and do my best to make the world a better place. I personally know the founders of B Walker Ranch and share their sense of commitment and purpose around improving the lives of those in our community who need help. Both our and your sponsorships and donations can make a difference.

I hope you will join me in supporting B Walker Ranch, by referring people ready to make a move - either buying or selling. Simply go to: www.ReferralsHelpAutism.com and together, we can make a BIGGER difference!

B Walker Ranch

Vision

B Walker Ranch was born when Jeanine Stanley, mother of a son with autism, began working as the Parent Representative for the Martinez School District.

Besides sitting on the Community Advisory Council for Contra Costa County, Jeanine became painfully aware of the sheer number of autistic children coming through the system with little meaningful programming available when they turned 22 years of age. She joined forces with Pamela Hale Mitchell to create the B Walker Ranch, a Day Program for adults with autism. It is their mission to create a ranch that will become a model program to be replicated in other communities, meeting the growing number of people with autism.

The daily tasks of running a ranch offers opportunities for meaningful work and a sense of belonging. Our ranchers will be fully immersed in the responsibilities of running a ranch; learning to care for animals, growing product from seed to harvest, and understanding the process.

The activities become the teaching tool and offer therapeutic benefits. Natural consequences will emerge and the next questions will begin to surface. The ranchers' interest will come forth as they are challenged physically and intellectually through various programs such as Horticulture, Cooking /Nutrition, Animal Therapy, Occupational and Art Therapies. Our trained staff will be sensitive to the capabilities and accomplishments of each rancher to foster independence.

We are a green model ranch. Energy saving structures, nontoxic materials and organic farming practices support individuals with autism, who are known to be especially sensitive to chemicals and other toxicities. We offer an environment free from these substances where healthy lifestyles will be encouraged. Whether it is gathering eggs or shoveling manure, our ranchers will feel connected to their toxic-free environment and learn to care for it as their own.

B Walker Ranch is a “model” program that will be on the forefront of teaching others how to take this programming into their communities. As well, we will be a bridge to our community where volunteer opportunities will be expanded. Local colleges will be partnered, as we provide the perfect “training ground” for learning and teaching. Community collaboration is vital as we develop relationships that further the understanding and necessity of providing quality Day programming to individuals who have autism.
