You know the song, the one that says, "It's the most wonderful time of the year?" Well, there is something to it. The current year is coming to a close and the celebration of Christmas and other faith driven holidays offers a special time to give thanks, **be joyful, pray for peace and feel hopeful.**

If you look around, you will notice this giving spirit exists unlike any other time of the year. But why can't it be that way everyday, every year? I think it can. It just takes intention and a little effort. Here's what we're doing and how you can help.

As we all are anticipating the holidays, some homeowners are less than enthusiastic because they feel trapped. They desperately need to exit their current place and give themselves a big Christmas Gift - **a NEW place to call home.**

(see inside for details).

HAVING PEACE OF MIND AND GETTING TOP DOLLAR FOR YOUR HOME. EXPERIENCE COUNTS!

As a result of working with over 5,000 families over my 20+ year career and through three documented recessions, we have developed a special market-proof program to quickly get an acceptable "cash" offer on any home at market value. So, we are giving homeowners wanting to make a move, a very special gift this holiday season.

OUR GUARANTEE to you, your friends and family—
For the month of December, our guarantee, in writing, is a **CASH Offer within 24 Hours at a Price Acceptable to any homeowner wanting to sell the place they call home.**

There is some risk on my part in making such an incredible guarantee, but we are selling just about every home we list for market value, sometimes more, so there is no reason for any area homeowner to fret about selling right now.

This is where you come in... If you or anyone you know is considering making a move, we would like to offer them a **FREE No-Obligation-to-Sell Consultation** to discuss just how they can make their move, get what they want and do it **with the least amount of hassle.**

Just like we are thankful for you and your business, I am confident your referrals will be thanking you for steering them in the right direction to getting their home sold!!!

A Real Estate Company that
Gives Back

And remember... Your Referrals Help Continue the Life Changing Work by B Walker Ranch!

A Real Estate Team that Gives Back! *Continued from page 2.*

B Walker Ranch is still on target to be a flagship property that will be a model program that can be duplicated in communities everywhere.

BWR, a 10.63-acre parcel, is developing a variety of programs for adults with autism designed to foster self-advocacy by recognizing their individual needs and harvesting a sense of purpose within a farm environment. When our children graduate from high school at 18 they have an opportunity to go onto the next step of their life. There are few next steps for those children with autism. We have an epidemic in this country as 1.5 million children are turning 22 and aging out of their existing program with little or nowhere to go, it's critical.

Why I Give to B Walker Ranch:

I was born and raised in Mexico City. My family moved to Los Angeles, California when I was fourteen. After obtaining my BS Degree in Accounting in 1981 from USC, I became a US citizen.

I am passionate about helping others. When I became aware of the amazing work my colleagues at B Walker Ranch are doing to support children and young adults with autism, I felt motivated to help. I love that I can utilize a portion of my income to contribute further to the work and awareness of B Walker Ranch, in addition to volunteering my time and energy.

There is so much joy in giving! Helping to build the community where we live is very important to me, so bringing together my business, my clients and a worthy cause inspires me to give it my all and pay it forward to making the world a better place.

My team and I are committed to providing outstanding results for buyers and sellers referred to us by our past clients. I know the founders of B Walker Ranch and share their sense of commitment and purpose in improving our community. They rely on sponsorships and personal donations.

I hope you will join me in supporting B Walker Ranch, by referring people ready to make a move –buying or selling. Simply go to: www.ReferralsHelpAutism.com and together, we can make a BIGGER difference!

B Walker Ranch

Vision

B Walker Ranch was born when Jeanine Stanley, mother of a son with autism, began working as the Parent Representative for the Martinez School District.

As well as sitting on the Community Advisory Council for Contra Costa County, Jeanine became painfully aware of the sheer number of autistic children coming through the system with little meaningful programming available when they turned 22 years of age. She joined forces with Pamela Hale Mitchell to create the B Walker Ranch, a Day Program for adults with autism. ***It is their mission to create a ranch that will become a model program to be replicated in other communities, meeting the growing number of people with autism.***

The daily tasks of running a ranch offers opportunities for meaningful work and a sense of belonging. Our ranchers will be fully immersed in the responsibilities of running a ranch; learning to care for animals, growing product from seed to harvest, and understanding the process.

The activities become the teaching tool and offer therapeutic benefit. Natural consequences will emerge and the next questions will begin to surface. The ranchers' interest will come forth as they are challenged physically and intellectually through various programming such as Horticulture, Cooking /Nutrition, Animal Therapy, Occupational and Art Therapies. Our trained staff will be sensitive to the capabilities and accomplishment we see coming forth and foster the ranchers' independence.

We are a green model ranch. Energy saving structures, nontoxic materials and organic farming practices support individuals with autism, who are known to be especially sensitive to chemicals and other toxicities. We offer an environment free from these substances where healthy lifestyles will be encouraged. Whether it is gathering eggs or shoveling manure, our ranchers will feel connected to their toxic-free environment and learn to care for it as their own.

B Walker Ranch is a “model” program that will be on the forefront of teaching others how to take this programming into their communities. As well, we will be a bridge to our community where volunteer opportunities will be expanded. Local colleges will be partnered, as we provide the perfect “training ground” for learning and teaching. Community collaboration is vital as we develop relationships that further the understanding and necessity of providing quality Day programming to individuals who have autism.
