[Merriweather Post Pavilion](#) - Merriweather was designed by the world renowned architect Frank Gehry, who is best known for defying architectural conventions. In the early 1960's, he accepted the challenge of developing a design that would least disturb the natural topography of the Merriweather site. He succeeded and the pavilion opened in 1967. Its acoustics were considered by many in the industry to be the best among outdoor venues.

[National Aquarium in Baltimore](#) - In all operations, we practice and promote the highest standards of animal husbandry. To be the best aquarium in the world, we owe our visitors the finest possible experience from their first point of contact. By constant evaluation of visitor satisfaction, we strive to exceed expectations for facts, fun, friendliness, and service.

Colleges

[Bowie State University](#) - Bowie State is in the midst of one of the nation's most exciting metropolitan areas, within easy reach of Washington, DC, and Baltimore. At the same time, it boasts a pastoral campus that is both serene and beautiful. With seven residence halls, the University is a hub of 24/7 undergraduate life, yet it also offers convenient evening classes and online courses to serve employed professionals seeking to move ahead in their vocations.

[Capitol College](#) - The college's 52-acre campus is located in Laurel, Maryland, a suburban setting midway between Washington, DC and Baltimore. Full-time undergraduate students are eligible for a five-year tuition lock and a job guarantee. All graduate-level degrees are available online, supported by software that delivers live, real-time lectures.

[Howard Community College](#) - Howard Community College (HCC) in Columbia, Maryland, is a public institution of Howard County with the mission to help anyone with an educational goal. That may be getting a two-year college degree, starting a four-year degree at HCC and transferring elsewhere, entering a new career, sharpening job skills, or exploring personal interests. That's why at HCC we say, "You Can Get There From Here!"

[Johns Hopkins University](#) - The mission of The Johns Hopkins University is to educate its students and cultivate their capacity for life-long learning, to foster independent and original research, and to bring the benefits of discovery to the world.

[Loyola College in Maryland](#) - Loyola offers a liberal arts undergraduate program with majors and minors in 36 academic fields. Graduate degrees at the master's and doctoral level are available in nine areas of study. Therefore, Loyola is classified as a university, but retains the name "college" to emphasize the nature of the academic community - a close-knit, student-focused living and learning environment.

[Morgan State University](#) - For over 130 years, Morgan State University has been an important part of the higher education system in Baltimore City, the State of Maryland, and the nation. Throughout its history, Morgan has served the community with distinction while meeting the educational needs of an increasingly diverse society. Its designation as Maryland's Public Urban University assures that Morgan will continue to play a prominent role in Maryland's education future.

[Towson University](#) - Located in suburban Towson, eight miles north of Baltimore, our beautifully landscaped, 328-acre setting offers a pleasant environment for study and a diverse campus life, as well as easy access to a wealth of university and community resources.

[U.S. Naval Academy](#) - Every day, as the undergraduate college of the naval service, the United States Naval Academy strives to accomplish its mission to develop midshipmen morally, mentally, and physically.

[UMBC](#) - UMBC combines the emphasis on teaching found at the best liberal arts colleges with the innovation of a research university. You'll find students inspired by and often working alongside faculty who are leaders in their fields - thinking about the hard questions of society, science and creative expression, and then moving beyond the classroom to make a difference. The Carnegie Foundation ranks UMBC in the category of Research Universities with high research activity.
