MIND YOUR Mom!

Just about every May I sit down to write Homeward Bound; I write about Mom's Day. And why not... it is a very special day for very special people.

My Mom used to tell me, seemingly repeatedly, to do this and do that, not to do this and not to do that. ALL, I recall, very valuable advice. Looking back on it all these many years later, I can say she was, and still is, a very wise woman.

Time reveals, in fact, just about **every caring Mother is a Wise Woman**. I can see why we carve out a special day each year to acknowledge Moms.

So here is a shout out to all Mom's – **Happy Mother's Day!!**

My son Justin's Birthday is in late May, and each year we get to celebrate Mother's Day and then his birthday. So, we get double the hugs and appropriate accolades every May.

Unfortunately, My Mom's Mom is no longer here. I am sure that makes her very sad this time of year. I am sure some reading this can relate and have similar stories. For ALL those whose Mom is no longer with us, may you remember the best about them. In addition to that, there are also many who never knew their Mom due to unfortunate circumstance. I bet someone played that role in their life and they too deserve a Happy Mother's Day!

Regardless, we can celebrate this Mother's Day knowing Moms both here and no longer here are special in more ways than we can count.

Especially... the Moms being helped by Plan International Canada

You may recall my team and I are on a mission to raise \$10,000 for Plan International Canada in 2020. We do that by donating a portion of our income from home sales to this very worthy cause. Plan Canada does tremendous work in helping kids fight through poverty, improve education and health and survive violence and emergencies across the globe.

The Mom's with kids that are being helped by Plan Canada are most likely NOT thinking about their special day this month. They are simply just being "Mom" doing what a real loving Mom does. God bless them for it.

Over the years of helping many families sell or buy the place they call home, we have met so many wonderful, loving, caring people. We are so grateful. Thank you for reading over this month's Homeward Bound and thank you for referring anyone you know considering buying or selling to my team. Why I Support Plan International Canada:

While I grew up right here in Brampton/Mississauga, I was born in Vietnam. I have been a Plan Canada Sponsor for several years. My sponsor children live in rural northern Vietnam, the country where I was born and forced to flee after the war. It really touched my heart and changed the way I see my life with my son; supporting in a way that can impact the lives of a family living in my home country halfway around the world. It has become my heart's desire to go and visit Le and Luc in North Vietnam, with my son Justin. My life is no longer just about myself and my son, it's much bigger and so much more, to be able to contribute even in small ways to the world that we live in. I'm proud to support Plan Canada with the goal of raising money and donating a portion of our income from home sales to help their quest to promote child rights and lift millions of children out of poverty. My team and I are committed to providing outstanding results for buyers and sellers referred to us by our clients. There's an incredible and amazing outcome of our hard work, and we're happy to contribute and give back to our communities.
