As a fellow Lover of Holiday Time, I wanted to share with you some exciting news for the New Year.

It seems most people establish New Year's resolutions, but for whatever reason they fall short of keeping them. Each year I highlight a great book that helped me and my team **dramatically improve our follow through on achieving important goals** and I wanted to share that with you – as sort of a *Happy New Year After Christmas Gift*; more on the book in a moment.

Some of your friends, neighbors, associates or relatives may have a New Year's resolution to make a move. Well we can help them with that, help you and help the community at CMHA at the same time. (see inside for details).

## Why I Give to Canada Mental Health Association

After immigrating in the mid-'90s, Mississauga has been home to my family and me for nearly as long as we have been in Canada. I remember when I first heard about a young person close to our family suffering from anxiety and trouble with sleeping and getting help from CMHA with different therapies to help overcome those issues. It was then that I began paying closer look to the work they do at the centre. Since then, I have learned that it is a collection of hard-working mental health care professionals, most making their home right here in Mississauga area, all coming together for a common cause. That cause is to help people overcome unfortunate mental health issues that life sometimes throws our way.

Being in the Mississauga area and a first generation Canadian, I take pride in supporting in a way that I can the good work these amazing people do at CMHA Peel Dufferin. My team rallies around our annual goal of raising money and donating portions of our income to help CMHA Peel Dufferin in their quest to heal people when they need healing. My team and I are committed to providing outstanding results for buyers and sellers referred to us by our past clients. I have discovered that CMHA share similar commitments to their parents. And since their services survive on sponsorships and donations we are happy to contribute and proud to support them. I encourage you to visit their website at [cmhapeeldufferin.ca](http://cmhapeeldufferin.ca) and check out how they are making a difference in the lives of children and their families!

## A Letter of Thanks

“

We still have a long way to go, but I am less stressed, more effective in dealing with my family members and better able to make choices that enrich my life.

Thank you for helping me discover my true worth -- something my family was not able to do. Nothing is more empowering than knowing 'I am worth it!'"
